

Eagle International Event Company – Corporate Brochure

About Us

Eagle International Event Company is a leading provider of high-end audio-visual solutions with 15+ years of experience delivering premium LED displays, projection, and live-event visual technology for corporate events, mega shows, exhibitions, political rallies, and brand activations. Our mission is to bring world-class AV innovation and unmatched service reliability to every event.

Homepage FAQ Section

1. What services does Eagle International Event Company offer?

We offer complete AV solutions including LED screen rental, projection mapping, live camera production, 4K/8K video walls, corporate event setups, campaign visuals, exhibition displays, and ATL/BTL activation support.

2. Do you provide technicians and on-site support?

Yes, we offer a full technical crew including LED engineers, operators, riggers, and event supervisors for flawless execution.

3. Is outdoor LED screen setup available?

Absolutely. We provide high-brightness outdoor LED screens for rallies, concerts, exhibitions, and large public events with zero-error backup systems.

4. How do I get a quotation?

Share your event details (location, duration, screen size). We provide customized, competitive AV packages.

5. Do you handle complete corporate AV events?

Yes. We handle product launches, conferences, annual meets, and award shows with premium visual solutions.

Google Business Profile FAQ

1. What type of LED screens do you provide?

We provide indoor (2.6/2.9mm) and outdoor (3.9/4.8mm) high-definition LED panels.

2. Do you support last-minute bookings?

Yes, depending on availability. Contact us for urgent event requirements.

3. Do you serve pan-India?

Yes. We provide AV solutions and LED screen rentals across India.

4. Do you have backup equipment?

Yes. We always carry backup LED panels, processors, and cables.

5. Do you provide corporate billing with GST?

Yes, we provide GST invoices for all events.
